Newsletter, November, 2020**

Good News for NDC Orange 2021!

It's ON

Hi Members,

Here is your December newsletter. Sorry for the delay of our newsletter, I was waiting for the National Deaf Tenpin Bowling Association Boards approval to go ahead with the National Deaf Championships at Orange. Yes, it is on, Yipee! I have enclosed an attachment of the 2021 entry form. I have added four more photos for you to guessing who! and two sheets of twelve dotted lines for names so you can fill the names on. You can give both sheets to me in Orange. If you are not going to the National Deaf Championships then you can email me. Congratulations Victoria for finally flatten with their second wave of COVID19. Well done Melbourians! I know we will never get rid of COVID19 **but** we can keep it under control e.g. tracking until vaccination. Victoria and New South Wales have almost 5 million population in each State and they have a mammoth job for tracking and controlling their population. I am sure COVID19 will still be around in Australia for sometime and we must accept what has happened. We will never get rid it outright until we get the vaccination so **keep** clean and social distance if possible.

I hope you will enjoy this newsletter!

Happy reading,

Bruce Shaw.

NEWS from all corners

Sydney Stars Deaf Tenpin Bowling Club's News.

Hi everyone,

What a terrible year we have had!! COVID19 has hit everyone in the world and has changed our lives forever. Thank goodness we live here in Australia and not in USA, UK or Europe where COVID19 is killing so many people. We have been very lucky here with our Government watching out for everyone. I would hate to be the Prime Minister in 2019/2020. Scott Morrison had to deal with the raging bushfires, the floods, COVID19 and a Recession and I think he has done a very good job. Thank goodness the Recession only lasted a short time and is over now.

The best news all this year in 2020 is that yay we are going ahead with the National Deaf Championships in Orange in 2021. We had to wait and see what the Government was going to do with the borders and now it is official we are going ahead with it. So start making your hotel bookings now before it is too late.

We will still be having a tour but it will be limited to first in gets to go on the tour.

The Registration Form has been sent with this newsletter.

*** Gary Whittaker celebrated his 70th birthday on 1st July, 2020.

*** Karen Finley celebrated her 60th birthday on 3rd September, 2020.

Happy big 'O' birthdays to both.

I am looking forward to seeing you all again in person and not by SKYPE or Facebook Messenger and catching up with all of you in Orange.

Until then,

happy striking.

Odette Shaw.

Secretary/Treasurer.

VALE:

It is very sad that Deon Davis passed away in October this year. He had been bowling at the National Deaf Championships for the past seven years. Deon will be sadly missed by his family, friends and bowlers. Our deepest sympathy to all.
